

Teacher

**Jasmine Vahdati**

Teacher Jasmine's musical journey first began at the age of five when she first embarked on piano learning, followed by a parallel journey with the violin at the age of ten.

Throughout the years, her love for music and perseverance have resulted in notable accomplishments, including achieving a distinction in Grade 8 Practical Piano (ABRSM) and Grade 5 Piano Theory (ABRSM).

As a teacher, she is bubbly and connects well with her students. She is a constant motivator and is devoted to helping her students achieve stellar results. She also hopes to nurture the musical talents of her students, inspiring them to discover their unique potential in the world of music.

Besides teaching piano, she teaches music theory and group classes for the pre-school kids (Sing & Play Course).
